

A new member of the housekeeping staff..

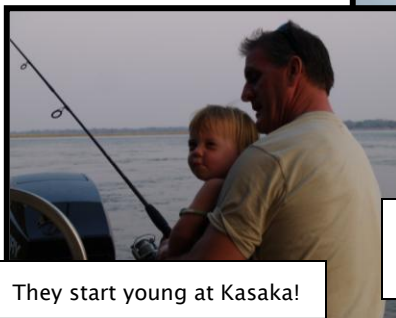

November 2009

And that was that, the 2009 season is over, already! We officially said good-bye to our last guests on 16th November and have begun the mammoth task of re-thatching our library, main living area and Hippo Pod. Thank you for supporting Kasaka this year; it was another great year and we are extremely grateful to you all. We decided to end the season with a newsletter that reflected the "generations" who visit Kasaka, from toddlers to grandparents, and of course the avid fishermen, through the many photographs we have received this year from our guests.

Thank you to everyone who managed to stop by the Zambian stand at WTM, it was great to catch up with old friends and of course make new ones.

They start young at Kasaka!

After 3 years, Alex finally succumbs to the urge to go fishing!

From everyone at Kasaka we hope you have a very happy festive season and we look forward to seeing you all again in the near future.

P.s; Check out our website for some great specials we have on offer for 2010 including our community/conservation project Kutandiza.

Water picnics!

Yay for Bush Kids!

And a round of applause for our wonderful staff!
