

## STAY FOR 7 AND ONLY PAY FOR 6!

With the additional cost of internal flights  
Zambian safaris can be expensive but that  
needn't be the case.....

We are incredibly lucky in the Lower  
Zambezi as we have the best of both worlds  
when it comes to safari activities. We are  
able to offer all the traditional activities  
from game drives and walking safaris as  
well as canoeing, river safaris and fishing!

Spend your days lazing by the pool  
watching the wildlife on the island in front  
of the lodge or tracking wildlife in the  
National Park on foot or in a vehicle. What  
ever your choice, you will be sure to have  
the trip of a lifetime.

With direct flights from London to Lusaka 3  
times a week and daily flights from Nairobi  
and Johannesburg, getting to Zambia  
couldn't be easier and once you land in the  
country, it is only a 30 minute flight from  
Lusaka to the Lower Zambezi. Just imagine,  
you could be watching the sunrise over the  
Zambezi one morning and home in your  
living room in the evening on the same  
day.....
